TRAVELERS INSURANCE

Mr. R. C. Clark, Agent,
Dothan, Ala.

My dear sir:

I beg to acknowledge receipt of four policies aggregating \$8,000.00 insurance that I applied for in your company. After having decided to increase my insurance I made some little investigation as to the standing of different companies, forms of policies, rates, etc., and found yours to be the most desirable in every point. I appreciate the policies I have in the Travelers and am frank to say that I do not believe that better policies are on the market today, considering the standing of the company.

Respectfully yours,
